ABOUT ME

I am a 23-year-old programmer named Maxim from Bălți. I graduated from college with a degree in "Programming" and am currently continuing my studies at university. My experience working as a bartender and barista has helped me develop excellent communication skills and the ability to work under high pressure. I am interested in projects where I can apply my programming knowledge to create useful solutions and improve processes. I am ready to work in a team and always open to new challenges.

About me

My name is Maxim, I'm 23 years old, and I live in Bălți. I'm passionate about fitness and frequently go to the gym to improve my physical shape and endurance. For me, sports are not just about physical activity, but also about strengthening my willpower and discipline. I also love traveling and discovering new places, which helps me broaden my horizons and gain new experiences. In my free time, I enjoy spending time with friends, socializing, and simply enjoying good company. Working in various fields, including as a barista, taught me to be communicative and responsible. Every day is an opportunity for me to learn something new and grow, and I strive to continue developing as a person and a professional.
